

Family Member using principal members membership:

Membership shall include the principal member applicant and the immediate family members (husband, wife, children, grandchildren, and custodial children) under the age of twenty five (25). The principal member will be allowed full access to the Club, voting rights, and the opportunity to serve as a Club officer. Family members under the age of twenty five (25) will be allowed access to the Club only under the direct supervision of the principal member or other adult Club member(s)

(Adopted 8 September 2014)
