

## CLUB FACILITIES AND EQUIPMENT, USE OF

Club facilities and equipment are intended for the express use of club members and their guests. Members may request permission from the Board of Directors to hold special events or formal training/instruction sessions using club facilities and/or equipment. Members being granted permission may not receive any personal remuneration for their services without prior permission from the Board of Directors. If permission is granted, the instructor shall have a personal liability insurance policy and the club shall be a named insured on the policy.
